Saint Paul

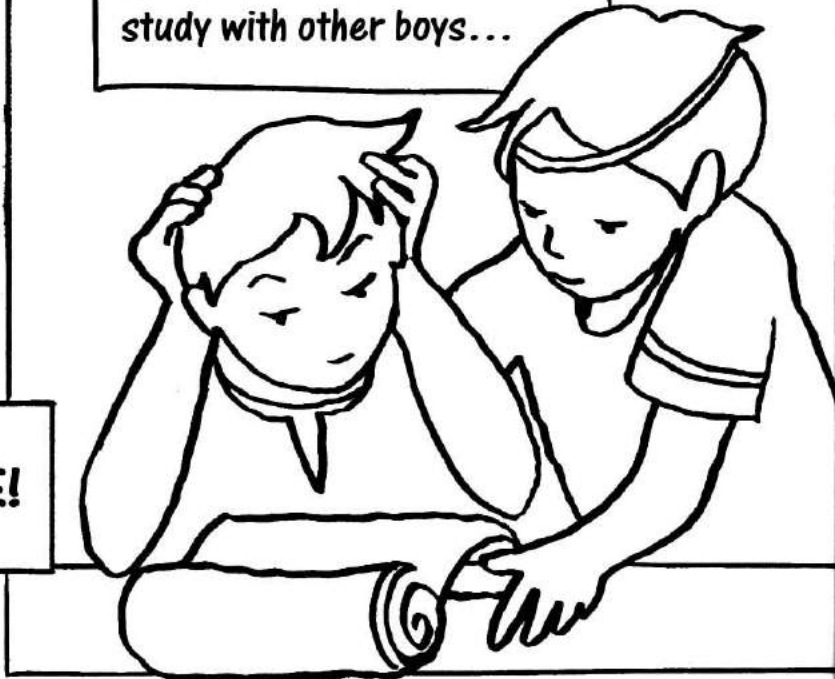

With

cards!

Saint Paul was born "Saul" long ago in Tarsus...

When Saul grew older, he was sent to Jerusalem to study with other boys...

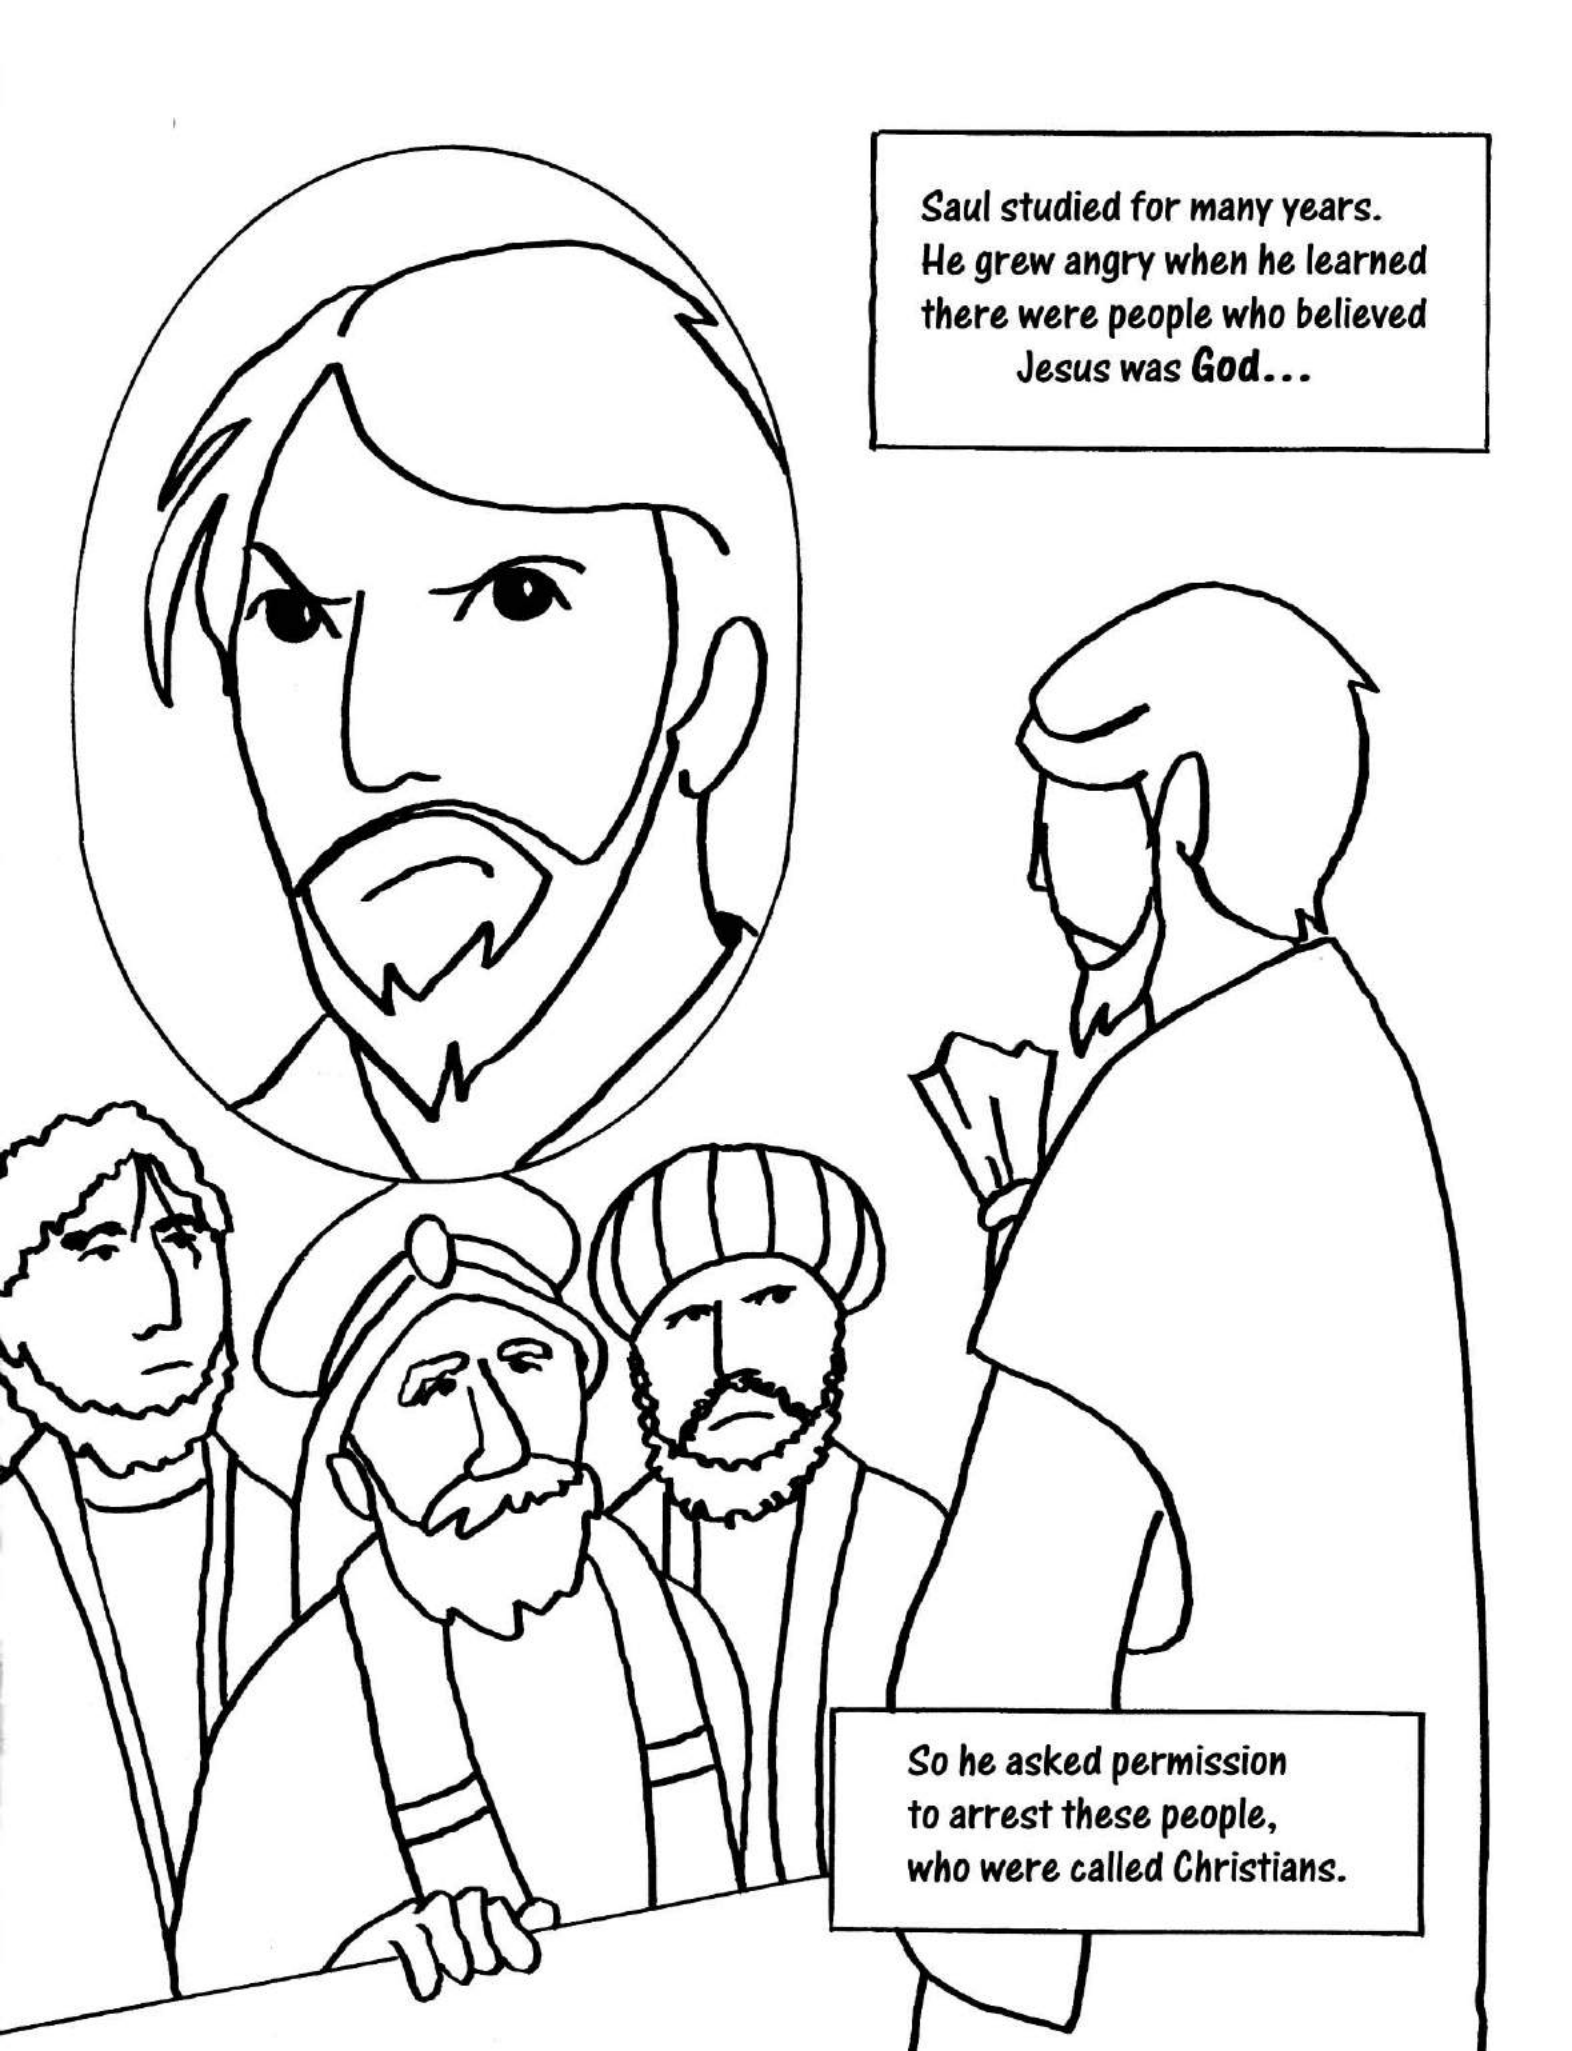

GURGLE!

One of his greatest teachers was a wise man, Gamaliel.

I'M GOING TO LEARN **EVERYTHING** HE TEACHES...

Saul studied for many years.
He grew angry when he learned
there were people who believed
Jesus was **God**...

So he asked permission
to arrest these people,
who were called **Christians**.

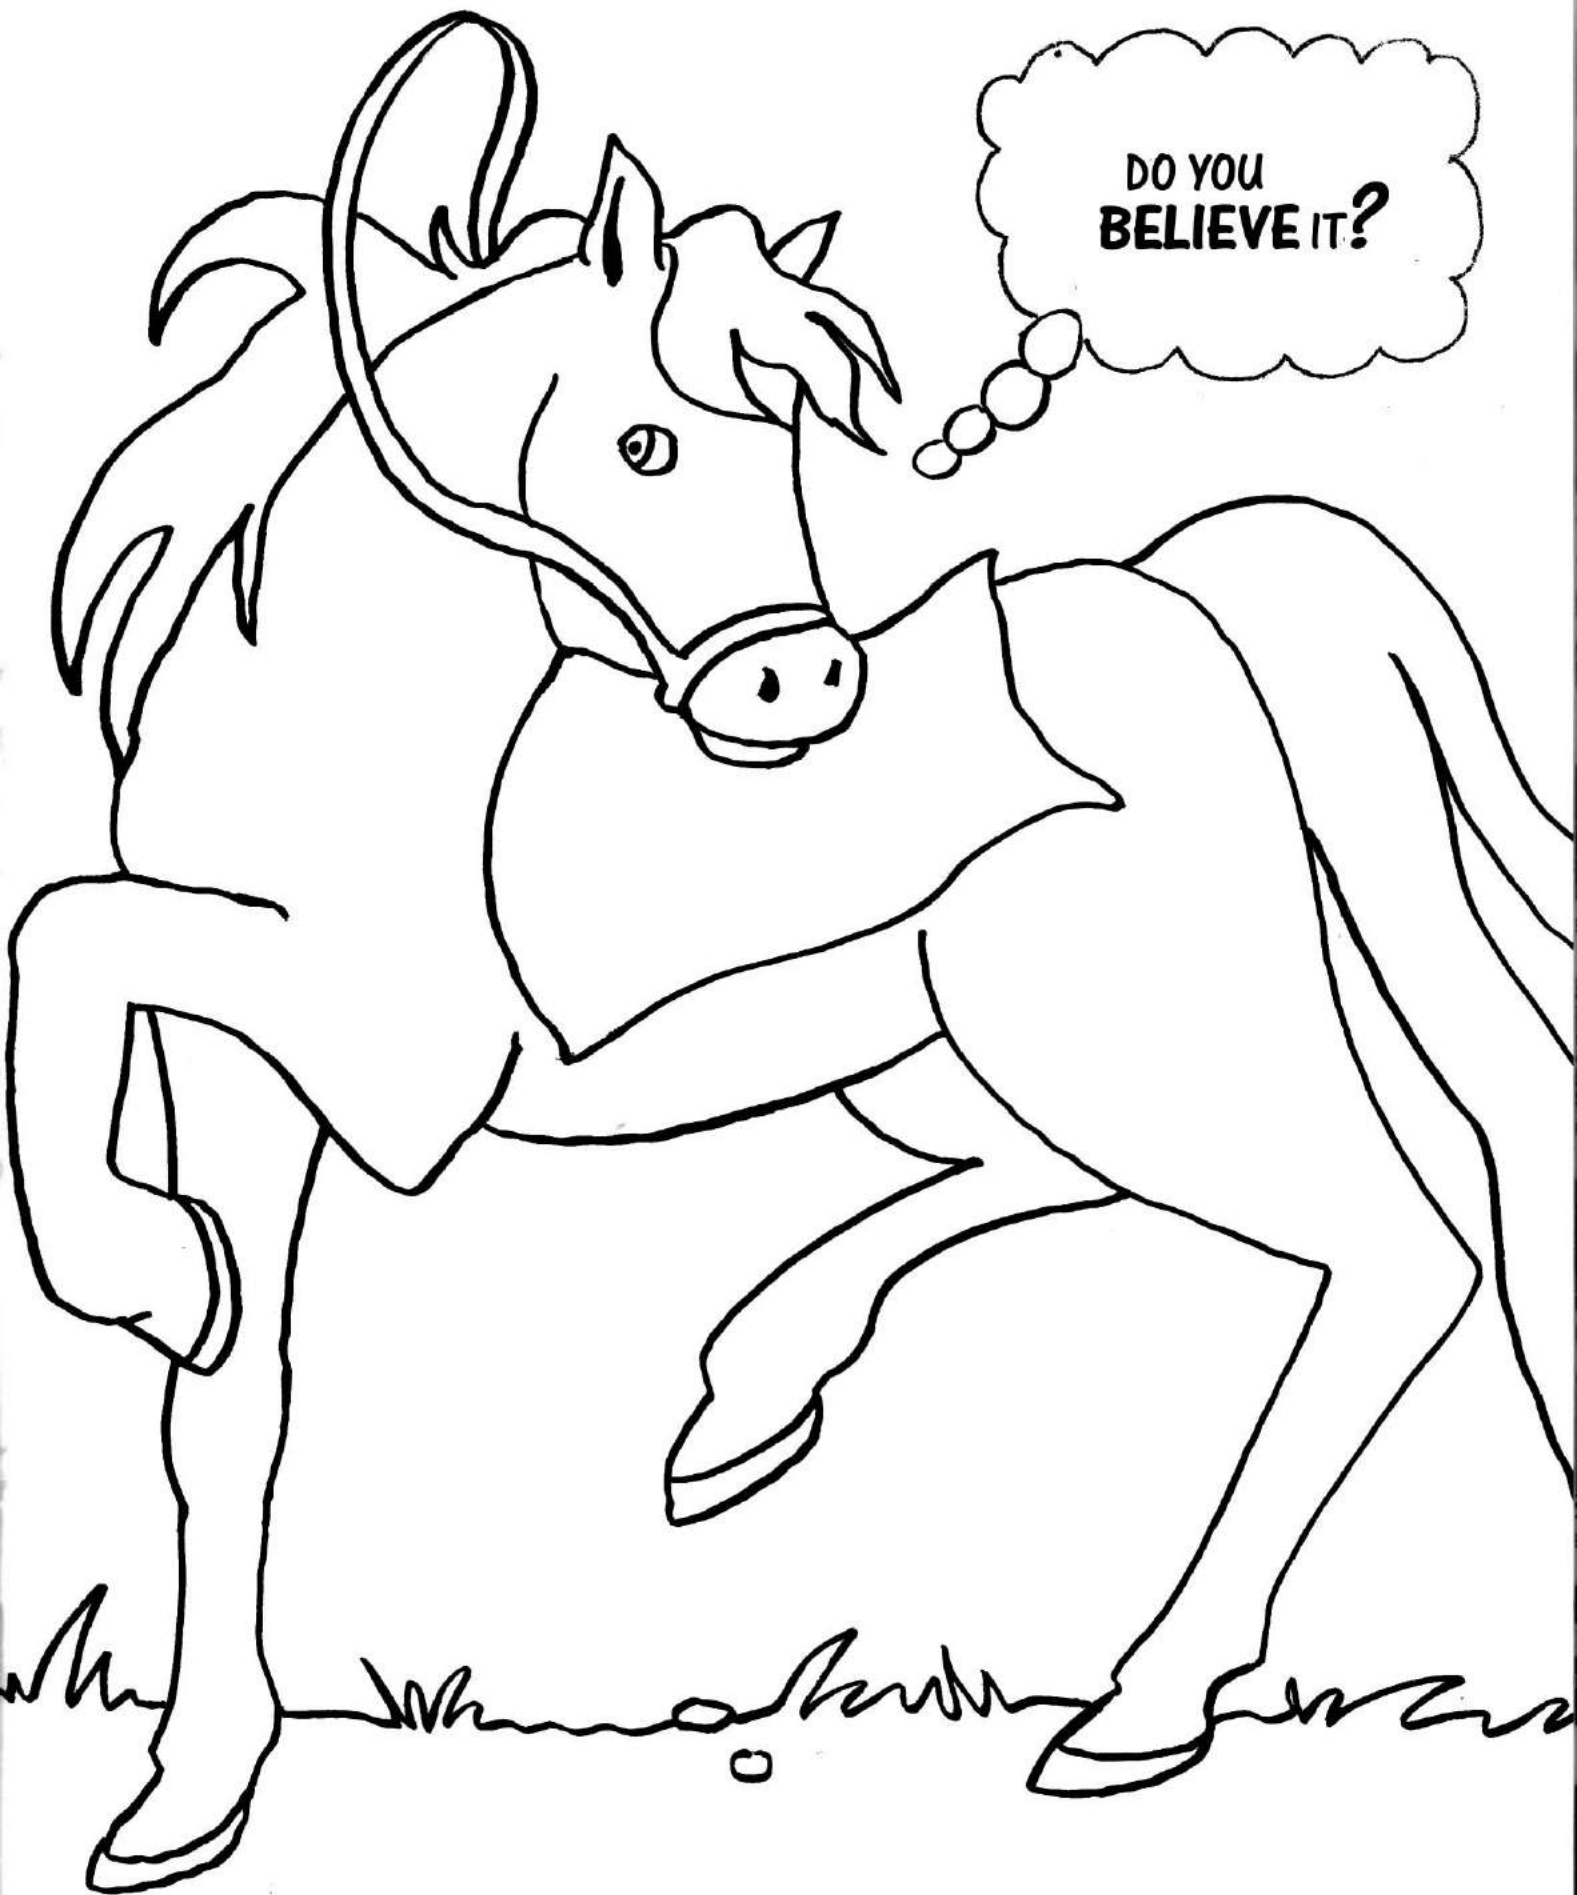

On the way to Damascus...

Light from the sky!

SAUL,
YOU ARE
PERSECUTING **ME!**

O LORD!
I DIDN'T KNOW!

DO YOU
BELIEVE IT?
