Everybody is a person.

We all have human bodies and human souls,
human minds and human hearts.

We all hope for something—
that the sun will shine . . .
or that we catch a frog . . .

or that Lizzie can come along . . .

or that we don't have any homework today.

We're all afraid of something—
hairy monsters . . .
or bugs . . .
or the dark . . .

or falling down . . . or spelling tests.

We all like something best of all—airplanes . . .
or hamsters . . . or spinning in circles . . .

or making things . . . or the color blue.
