What Did God Make?

Little flaps for little fingers!

In the beginning

darkness was everywhere.

God said,

“Let there be light!”

And so light shone into the darkness.

Now there was day and night.

*God created the air and the sky—
an enormous sky, with fluffy clouds.*

He made the wide oceans and the deep seas.

He made rolling waves and splashing spray.

God made dry land—
the high hills and the tall mountains,

*the deep valleys and the wide plains.
God saw it, and he was pleased
with the land he had created.*
